

Senior Accountant

Location: Vancouver, B.C.

Company/ Division Overview

Sunniva Inc., through its subsidiaries, is a vertically integrated medical cannabis company operating in the world's two largest cannabis markets – Canada and California – where we are committed to delivering safe, high-quality products and services at scale.

Our business vision is to become the lowest cost, highest quality cannabis producer in the markets we serve by building large scale purpose built current good manufacturing practices greenhouses, offering better quality assurance with cannabis products free from pesticides, providing better patient and doctor access to cannabis education and sourcing better therapeutic delivery devices.

Sunniva is constantly seeking high calibre talent who bring excellence and enthusiasm to our expanding operations. We value uniqueness and different perspectives as they play a critical role in our success. To achieve this, individuals are selected based on qualifications, merit, and abilities.

The Role

We're looking for an enthusiastic Senior Accountant to be an integral part of the financial reporting function and help shape the financial foundation for the company's future. As the Senior Accountant, you will work in our downtown Vancouver office and be reporting to the Finance Manager. You will support all aspects of finance and accounting within the organization and operational business units. This includes full-cycle accounting, period-end reporting, financial process and procedure initiatives, and other support in the Finance team as required. The ideal candidate understands what is required to succeed in a fast-paced, environment and will take on this opportunity with an eagerness to learn and develop.

Key Responsibilities

The key responsibilities for the position include, but are not limited to the following:

Financial reporting:

- Maintain month-end schedules for complex topics including lease accounting, convertible debentures, other equity arrangements and provisions.
- Complete the financial statement consolidation process, ensuring all intercompany balances are eliminated correctly and all period end adjustments have been made.
- Prepare quarterly and annual external financial statements, including supporting documentation and audit support under IFRS.
- Review other month-end schedules.
- Assist in drafting other internal and external reporting deliverables.

Financial management:

- Prepare and review journal entries.
- Assist is coaching and development of junior finance team members.
- General ledger maintenance.
- Assist with ad hoc projects and general support of the finance team and operating units.

Quarterly reviews and annual audit:

- Assist with external reviews and audits, preparing working papers and taking a key supporting role in managing the engagements.
- Prepare technical accounting memorandums as required.

Qualifications and Experience

- A Bachelor's Degree in business or equivalent.
- Completion or in process of completing CPA Designation.
- 3 to 5 years of progressive experience in accounting. Public practice experience is considered a strong asset.
- Experience with public companies is considered an asset.

Skills, Knowledge, and Ability

The requirements listed below are representative of the knowledge, skills and competency required for this role:

- Strong understanding of IFRS.
- Experience with consolidation accounting in a multi-currency environment.
- Ability to multi-task and drive multiple initiatives forward.
- Conscious of details; methodical, organized and structured.
- Excellent interpersonal, communication and organizational skills.
- Aptitude to work within a team environment.

Working Environment

- Working within an office setting.
- Functioning in a flexible workplace.

Sunniva offers a competitive salary and benefits package.
